

ALAMO RMA
Alamo Regional Mobility Authority

The purpose of the Open House/Public Meeting is to discuss the environmental study currently being conducted on Loop 1604 to construct an underpass for the mainlanes of SH 151 and connecting SH 151 into the existing Alamo Ranch Parkway, and to provide additional information on the proposed design of the Loop 1604 Underpass Project.

Citizens will also be given an opportunity to view project exhibits and ask questions at the community open house.

A brief formal presentation will be made twice during the evening as part of the open house.

You are invited! Community Open House
